

CHOOSE THE RIGHT SIZE:

1.
Fold the corner of the page following the dotted lines and line them up against a wall.
2.
Stand up with your heel against the wall. Your foot should be flat.
3.
The front mark defines your shoe size. If you are in between sizes, choose the largest.
4.
Don't forget to measure the other foot!

Is the scale correct?

To verify that the document has been printed at 100%, measure the scale above.
